QURFAT Capsule

- Burn Fat Fast
- Increase Energy
- Utilizes Fat Fuel
- Advanced Weight Loss

30 Capsule

To induce browning of white fat cell & boosting body metabolism naturally

QURFAT

Fat Burner Capsules

- ▲ Fat burners can help enhance fat loss, but they're only going to do so if a proper diet is in place.
- ▲ Fat burners work in a variety of ways.
- ▲ They can boost energy, help curb appetite.
- ▲ Promote fat to be used for energy, and even increase your metabolism and core temperature so you burn more calories throughout the day.

The capsules give you physical energy and might even help in increasing your mental focus by charging up your brain cells. The dosage of these capsules would vary from one person to another depending upon the exercise routine and the amount of fat they have to burn.
